The Whitneyville Civic Association Meeting Schedule for 2010

Meeting dates have changed from Wednesday to Thursday in order not to coincide with regular Town meetings.

Please join us for the meetings of the Whitneyville Civic Association. We are a group of Whitneyville residents, representing many races, religions and political parties, who are united in maintaining the character of our neighborhood while fostering positive change in Whitneyville. Please, come join us and make your voices heard on the issues that are confronting us now and in the near future.

- The Association will meet 6 times
- Each meeting is planned for **Thursday** of the second week of the odd months
- Meetings will start at 7:00pm
- Meeting agendas are published in the WCA Newsletter prior to the meetings
- Meetings are generally held at the Hamden Hall Country Day School Library but sometimes held at alternative spaces so be sure to check out our website for further information.
